OUR IMPACT

Recent projects supported by EU4YOUTH and the Embassy of the Netherlands have achieved:

- **Over 250 youth engaged in civic education, cultural festivals, forums, and trainings.**
- **138 participants from minority groups actively involved in community projects, exceeding targets.**
- **80% of trained youth demonstrated increased civic knowledge and leadership confidence.**
- **Two permanent youth spaces established (in Koreti village and Sakobiano Public School) serving as libraries, study hubs, and intercultural meeting points.**
- **Trained youth now actively serve in school councils, youth boards, and continue initiating local projects.**
