This lead to create :

• FROM an idea TO a PRINTED book •

What we learn:

Basics of drawing and design

- **Fundamental shapes and forms**
- **Color and composition**
- **Introduction to Adobe Photoshop**

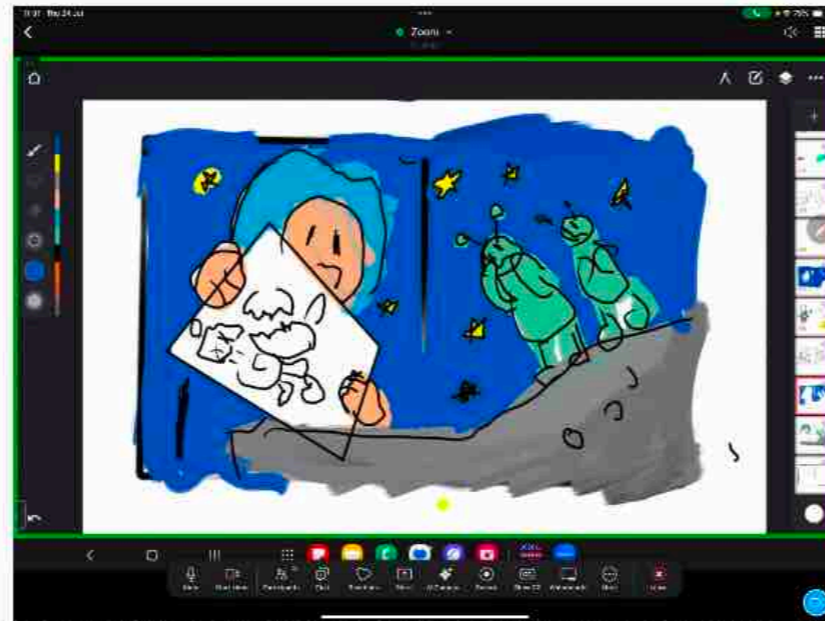

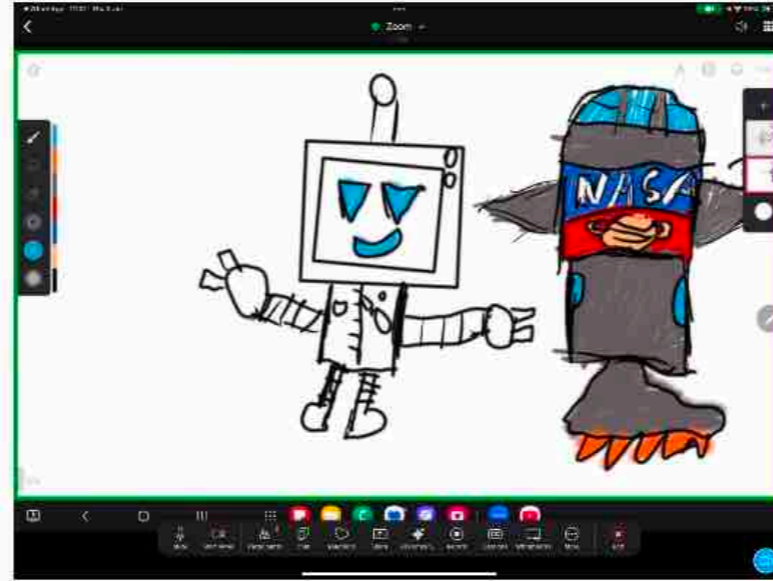

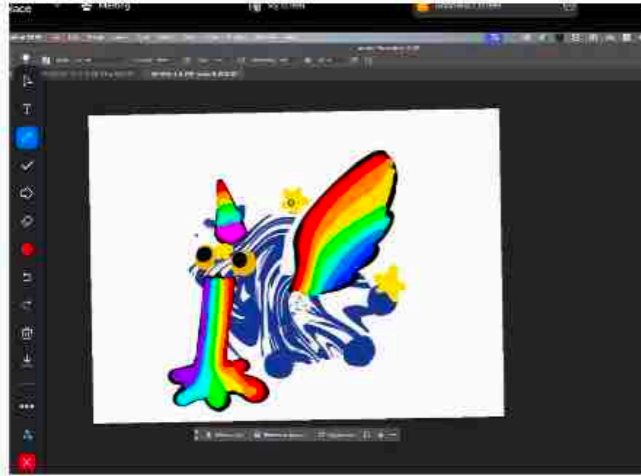

How the course works:

- **Online lessons via Zoom**
- **2 months program | 2 hours per week**
- **Direct teacher support with remote access (AnyDesk)**

At the end of the course, each child will create their own illustrated digital book.

- **The book will be printed and sent by post (for students abroad).**
